

*Practice Management Solutions
for the Dental Profession*

Not yet got a computer system in your practice...

Do you want a simple low cost system for handling patient recalls or NHS form printing?

Or perhaps a system on reception for billing patients?

Or a way of sending EDI claims and monitoring UDA statistics?

You may also want to have workstations in the surgeries with full clinical charting.

You have a computer system in your practice...

Is it out of date and needs upgrading?

Or you may be paying far too much in ongoing charges?

WE HAVE THE ANSWER...
